Munirè SafeSide®

The next generation in crib safety

Safe and Sound

The Muniré SafeSide®, 3 in 1 crib has been designed to put your child's safety first. With two fixed side-rails and no moving parts, the SafeSide® crib is the next generation in crib safety. The SafeSide® Crib has been tested and certified by CPSC approved testing labs and has received the JPMA Seal of approval for safety and compliance.

JUVENILE PRODUCTS MANUFACTURERS ASSOCIATION
CERTIFIED
AN INDEPENDENT TESTING LABORATORY VALIDATES THE MANUFACTURER'S CERTIFICATION OF THIS PRODUCT TO ASTM SAFETY STANDARDS

Built to Last

Every crib is built with superior safety and exceptional quality you can see and feel. Constructed with solid hardwoods and beautiful wood veneers for lasting quality and durability.

Flexible Style

The SafeSide® Crib is available in six styles and a variety of finishes to complement our existing collections, or can be mixed and matched to create a unique style of your own.

Versatile

The 3 in 1 design converts safely and easily into a toddler bed and a day bed for years of use.
